

# STICKER MEDIA

Keep customers smiling and expand your revenue!

No longer a lab-only product, you can now offer people and professional stickers on the spot!

**DNP**  
Photo Imaging

For any photography business, whether event photography, wedding and party photo booths, photo marketing, or portraits, the flexibility and creativity of stickers can set your business apart and help you sell more.

Sticker media is ideal for any kind of events or usage, the only limit is your creativity!

- 2x6 photo booth strips, one strip for guest, one strip to stick to photo album for bride and groom.
- Create custom shaped photo stickers for parties and events with hand held die cutters.
- Mix photos, marketing messages and branding with stickers – we've had requests for ski helmets, skate boards, back of cell phones, running events, school lockers, bumper stickers; the list goes on.
- Print your own business labels promoting your company logos, slogans, and seasonal events.

**FUN**

Sticker media with your next event to create the ultimate fun experience!

**HIGH QUALITY**

High quality dye-sublimation media produced and manufactured by DNP, the world leader in the comprehensive printing.

**VALUE ADDED**

With DNP's unique sticker media, amuse customers and expand your revenue.

**CREATIVITY**

Free your mind and start unique business of your own with DNP sticker media. No longer a lab-only product, you can now offer people photo stickers on the spot.
