DS620

Dye-sublimation printer

DNP
Photo Imaging

The all-in-one reliable performer for on-site photo prints

DS620 is the champion of its class, with high speed printing and premium photo quality: it's the flagship model in DNP's dye-sublimation printer line-up.

It only takes 8.4 seconds to print a 4x6″ at 300 dpi. You can choose between many formats, including square size (6x6″) and Panoramic print[1] (6x14″ and 6x20″). Plus, DS620 has now the remarkable feature to print partial matte!

Ideal for retail customers, photographers and photo booths, DS620 will perform for any occasion: Simply amazing!
